- 5.5 CLE Credits for attorney’s participating in day long conference
- Please make your check payable to: Office of Child Support Services!

In an effort to assist the customers we serve with basic necessities, we began the “Cozy Closet” late in 2014. The “Cozy Closet” is located in our waiting room where customers can help themselves to items such as clothing, children’s games, or toys, most of which are donated by OCSS staff.

There is a constant need for donations to replenish the closet.

This year we are asking conference participants to bring one item: children’s clothing, toy or games to the conference. In return for the donation, an additional raffle ticket for our gift basket door prize will be given.

Mail, fax, or submit your registration information electronically by visiting our website. Please register/send payment before May 3, 2019.

October 24, 2019 8:30AM - 4:00PM
Arnold Conference Center—Cranston, RI
More info at WWW.CSE.RI.GOV
This year our conference theme is “Transforming Child Support to Empower Families”. We transform the child support program through:

- legislation;
- regulations;
- collaboration and outreach to different state agencies as well as community organizations;
- and ultimately by developing new procedures and policies that can help lift families out of poverty, and on a path towards self-sufficiency.

The topics chosen will focus on a few of the ways we are transforming our program “To Empower the Families” we serve.
